GIOCHI DEL MONDO MILITARI

MILITARY WORLD GAMES

Nel 1961 si disputano a Tehran (Iran) i primi Campionati Mondiali Militari di pallavolo. Fino al 1980 era la squadra Greca a dominare il torneo. Nello stesso periodo iniziano ad avvicinarsi i paesi del medio oriente. La Cina prevale nel quinquennio 1980 – 1985. Negli anni '90 la sfida è tra l'Italia e la Grecia.

Until 1980, the Greek team were regular number one favourites and they did bag countless world titles. During the same period, Near and Middle East countries were also very much present. The early 80s were marked by the advent of China: between 1980 and 1985, the Chinese team confined all other nations to playing second fiddle. China's thorough domination was shaken by Turkey in Colorado Springs, USA, in 1986. As for the '90s, they consisted of a series of final confrontations between Italy and Greece.
